Re: No Loss Warranty

To Whom It May Concern:

The undersigned warrants that as of \_\_\_\_\_ all known claims, lawsuits or medical incidents which occurred during the period \_\_\_\_\_ to \_\_\_\_\_ have been reported to our previous insurance carrier, \_\_\_\_\_.

It is also warranted that any and all acts, medical incidents and/or circumstances of which I am aware, and which might reasonably be expected to result in a claim under the proposed coverage afforded by this policy, were disclosed to Rockbridge Underwriting Agency Limited prior to binding of such coverage on \_\_\_\_\_, and are listed below (indicate "NONE" if applicable):

These warranties are material to the acceptance of coverage by the Insurer and are made part of the insurance policy. The insurance policy would not be offered or placed in the absence of such warranties.

Further, I acknowledge and agree that any claims resulting from medical incidents occurring prior to the binding of coverage, and of which I was aware, are specifically excluded from coverage under this policy and any applicable policy written to provide coverage in excess of this policy. The falsity or material inaccuracy of such statements, agreements, representations and warranties may render void the coverage afforded by the policy.

ACKNOWLEDGED AND AGREED:
