

RLI: WE'RE DIFFERENT

RLI isn't like other insurance companies. From our niche product offerings to our business model, our culture to our results — **we're different.**

WHAT WE DO

RLI is a U.S.-based specialty insurer that serves niche property, casualty and surety markets. We provide peace of mind to the customers we serve by safeguarding their assets and helping them manage risk.

RLI operates on both an admitted and excess and surplus lines basis. We provide deep underwriting expertise and superior service to commercial and personal lines customers nationwide.

Our financial track record has been stellar for decades — a testament to our culture and reputation as an excellent underwriting company.

We're known for our:

- Remarkable people, who build strong relationships and provide outstanding service
- Underwriting expertise, which ensures our customers always have the insurance coverage they need
- Customized approach, which allows us to develop coverages that meet very specific needs
- Entrepreneurial culture, which enables those closest to our customers to make critical and timely decisions
- Proven financial strength, to ensure we are here to fulfill our promises

WHAT MAKES US DIFFERENT

Remarkable people. At RLI, our talent distinguishes us and makes us different. We hire smart people and make them owners of the business. We're committed to providing the best possible solutions and support to those we serve.

Underwriting expertise. We hire experienced underwriters with deep expertise to provide innovative solutions to customers within the niche insurance markets we serve.

Customized approach. We don't follow a cookie cutter approach to underwriting. We've been customizing products to serve specialty lines insurance markets for more than 50 years.

Entrepreneurial culture. RLI is a place where talented people have the freedom and authority to do things their way and the resources to make it happen. Our product leaders are business owners, who run their divisions day-to-day. And we let our underwriters, the people closest to our customers, make underwriting decisions.

Proven financial strength. Our history of success is driven by doing things differently. We remain true to our underwriting principles and are dedicated to deep-rooted core competencies that protect our ratings.

OUR COMPANIES
