

RLI Marine

A division of RLI Insurance Company

RLI Marine cargo insurance allows you to ship with confidence

Whether importing raw materials from Singapore or exporting finished goods to France, shippers must have confidence in the insurance protecting their merchandise. As the complexities of international trade have practically been stripped away by efficiencies of the Internet, more companies are involved in international trade. However, in our experience, global ambition doesn't mean these businesses have the coverage they need. Cargo insurance is the lifeblood of international trade, essentially keeping trade running smoothly.

AT RLI, WE'RE DIFFERENT — AND THAT'S GOOD FOR YOU.

RLI Marine's underwriters are an experienced crew. Each office is staffed with seasoned professionals who respond to market demands and opportunities more quickly than many of our competitors. Our clients benefit from our niche underwriting focus and the creative approaches we deliver. We listen to the requests of our customers and find ways to meet their needs. The result? Producers have a reliable market for coverage, and insureds get a program tailored to their unique needs.

Our claims staff is experienced in all types of marine claims and is proactive in the settlement process should a loss occur.

RLI MARINE BEGINS WHERE MANY DO NOT — WE LISTEN TO OUR CUSTOMERS
