COMMERCIAL AUTO: DRIVING SCHOOLS UNDERWRITING GUIDELINES

- We do require that the RLI Driving School Auto Supplemental Questionnaire be completed and submitted along with the ACORD Applications. You should include a copy of the course outline that breaks down the classroom time and the behind the wheel time.
- We do not write private passenger driving schools.
- We prefer driving schools that have dual controls for all vehicles, and an instructor in the vehicle with the student at all times.
- Driving schools should be in business for at least 2 years.
- All student drivers and instructors should be at least 21 years of age.
- Driving schools should have sound financials, and the last two years of financial information should be included with the application.
